## DEAR COLLEAGUES,

It is a great honor and pleasure to welcome you to the XI Serbian Biochemical Society Conference, “Amazing biochemistry”, in Novi Sad, Serbia.

Serbian Biochemical Society (SBS) members from several faculties and research institutes joined their forces to organize this two-day conference: Faculty of Sciences, Faculty of Medicine, and Faculty of Agriculture from the University of Novi Sad, Faculty of Chemistry, Faculty of Pharmacy, Faculty of Medicine, Institute for biological research Siniša Stanković, Institute for Applied Nuclear Energy, Vinča Institute of Nuclear Science, Institute for Chemistry, Technology and Metallurgy, Institute for Multidisciplinary Research, Innovation Centre – Faculty of Chemistry from University of Belgrade, Faculty of Sciences and Mathematics, University of Kragujevac, and Faculty of Medicine, University of Niš.

We strongly believe the XI SBS Conference will be a successful gathering of molecular life scientists from Serbia and colleagues from the region and beyond. The scientific program will be headed by the plenary lecturer István Zupkó, the Diaspora Lecturer Brankica Janković, and 7 invited lecturers. The Conference will provide an excellent opportunity

to showcase our latest research results, exchange new and inspiring ideas, and establish novel collaborations.

The special issue of *Biologia Serbica* covers mini-reviews written by the plenary and invited lecturers that address various aspects of molecular life sciences, particularly related to biochemistry and molecular biology. We would like to thank prof. Željko Popović, Managing Editor of the Journal and the whole Editorial board. We would also like to thank all members of the Scientific and the Organizing Committee for their efforts to make this conference successful. We are very grateful to the conference sponsors: Multidisciplinary Digital Publishing Institute-MDPI, Analysis d.o.o., KEFO d.o.o., BioDiagnostica Laboratory, Labena d.o.o., RTC d.o.o., Alfamed d.o.o., Superlab and Rotary Club Alma Mos Novi Sad, hoping to extend our collaboration in the coming years. Last, but not least, we would like to thank all participants of the Conference and wish them fruitful sessions and an enjoyable stay in Novi Sad. More information on the conference can be found on the website <https://biochemistry-conference.org.rs/>.
